

Rental short-list 2026

Selection of the Dry Rental Equipment

DRY RENTAL

Soundforce stock most of the highest quality equipment on the market.

Focus is on international projects and the equipment is based on these demands.

We make special made contracts for short time projects as well as long term leases.

TOUR SOLUTION

Soundforce offers more than a traditional dry rental company.

We are specialists in custom made touring solutions.

We have more than thirty years experience of international touring.

This has formed our touring prep department.

We'd love to prepare the equipment for you and help you save expensive time in your project.

PARTNERSHIP

We provide our services to rental companies as well as producers to share our experience and resources.

Let us be your partner in your projects.

....more than a dry rental company.

BlackBox Rehearsal Studio

In 2023 the construction of Blackbox Rehearsal Studio was completed. The studio provides the ultimate conditions for starting up, even the most complex, productions.

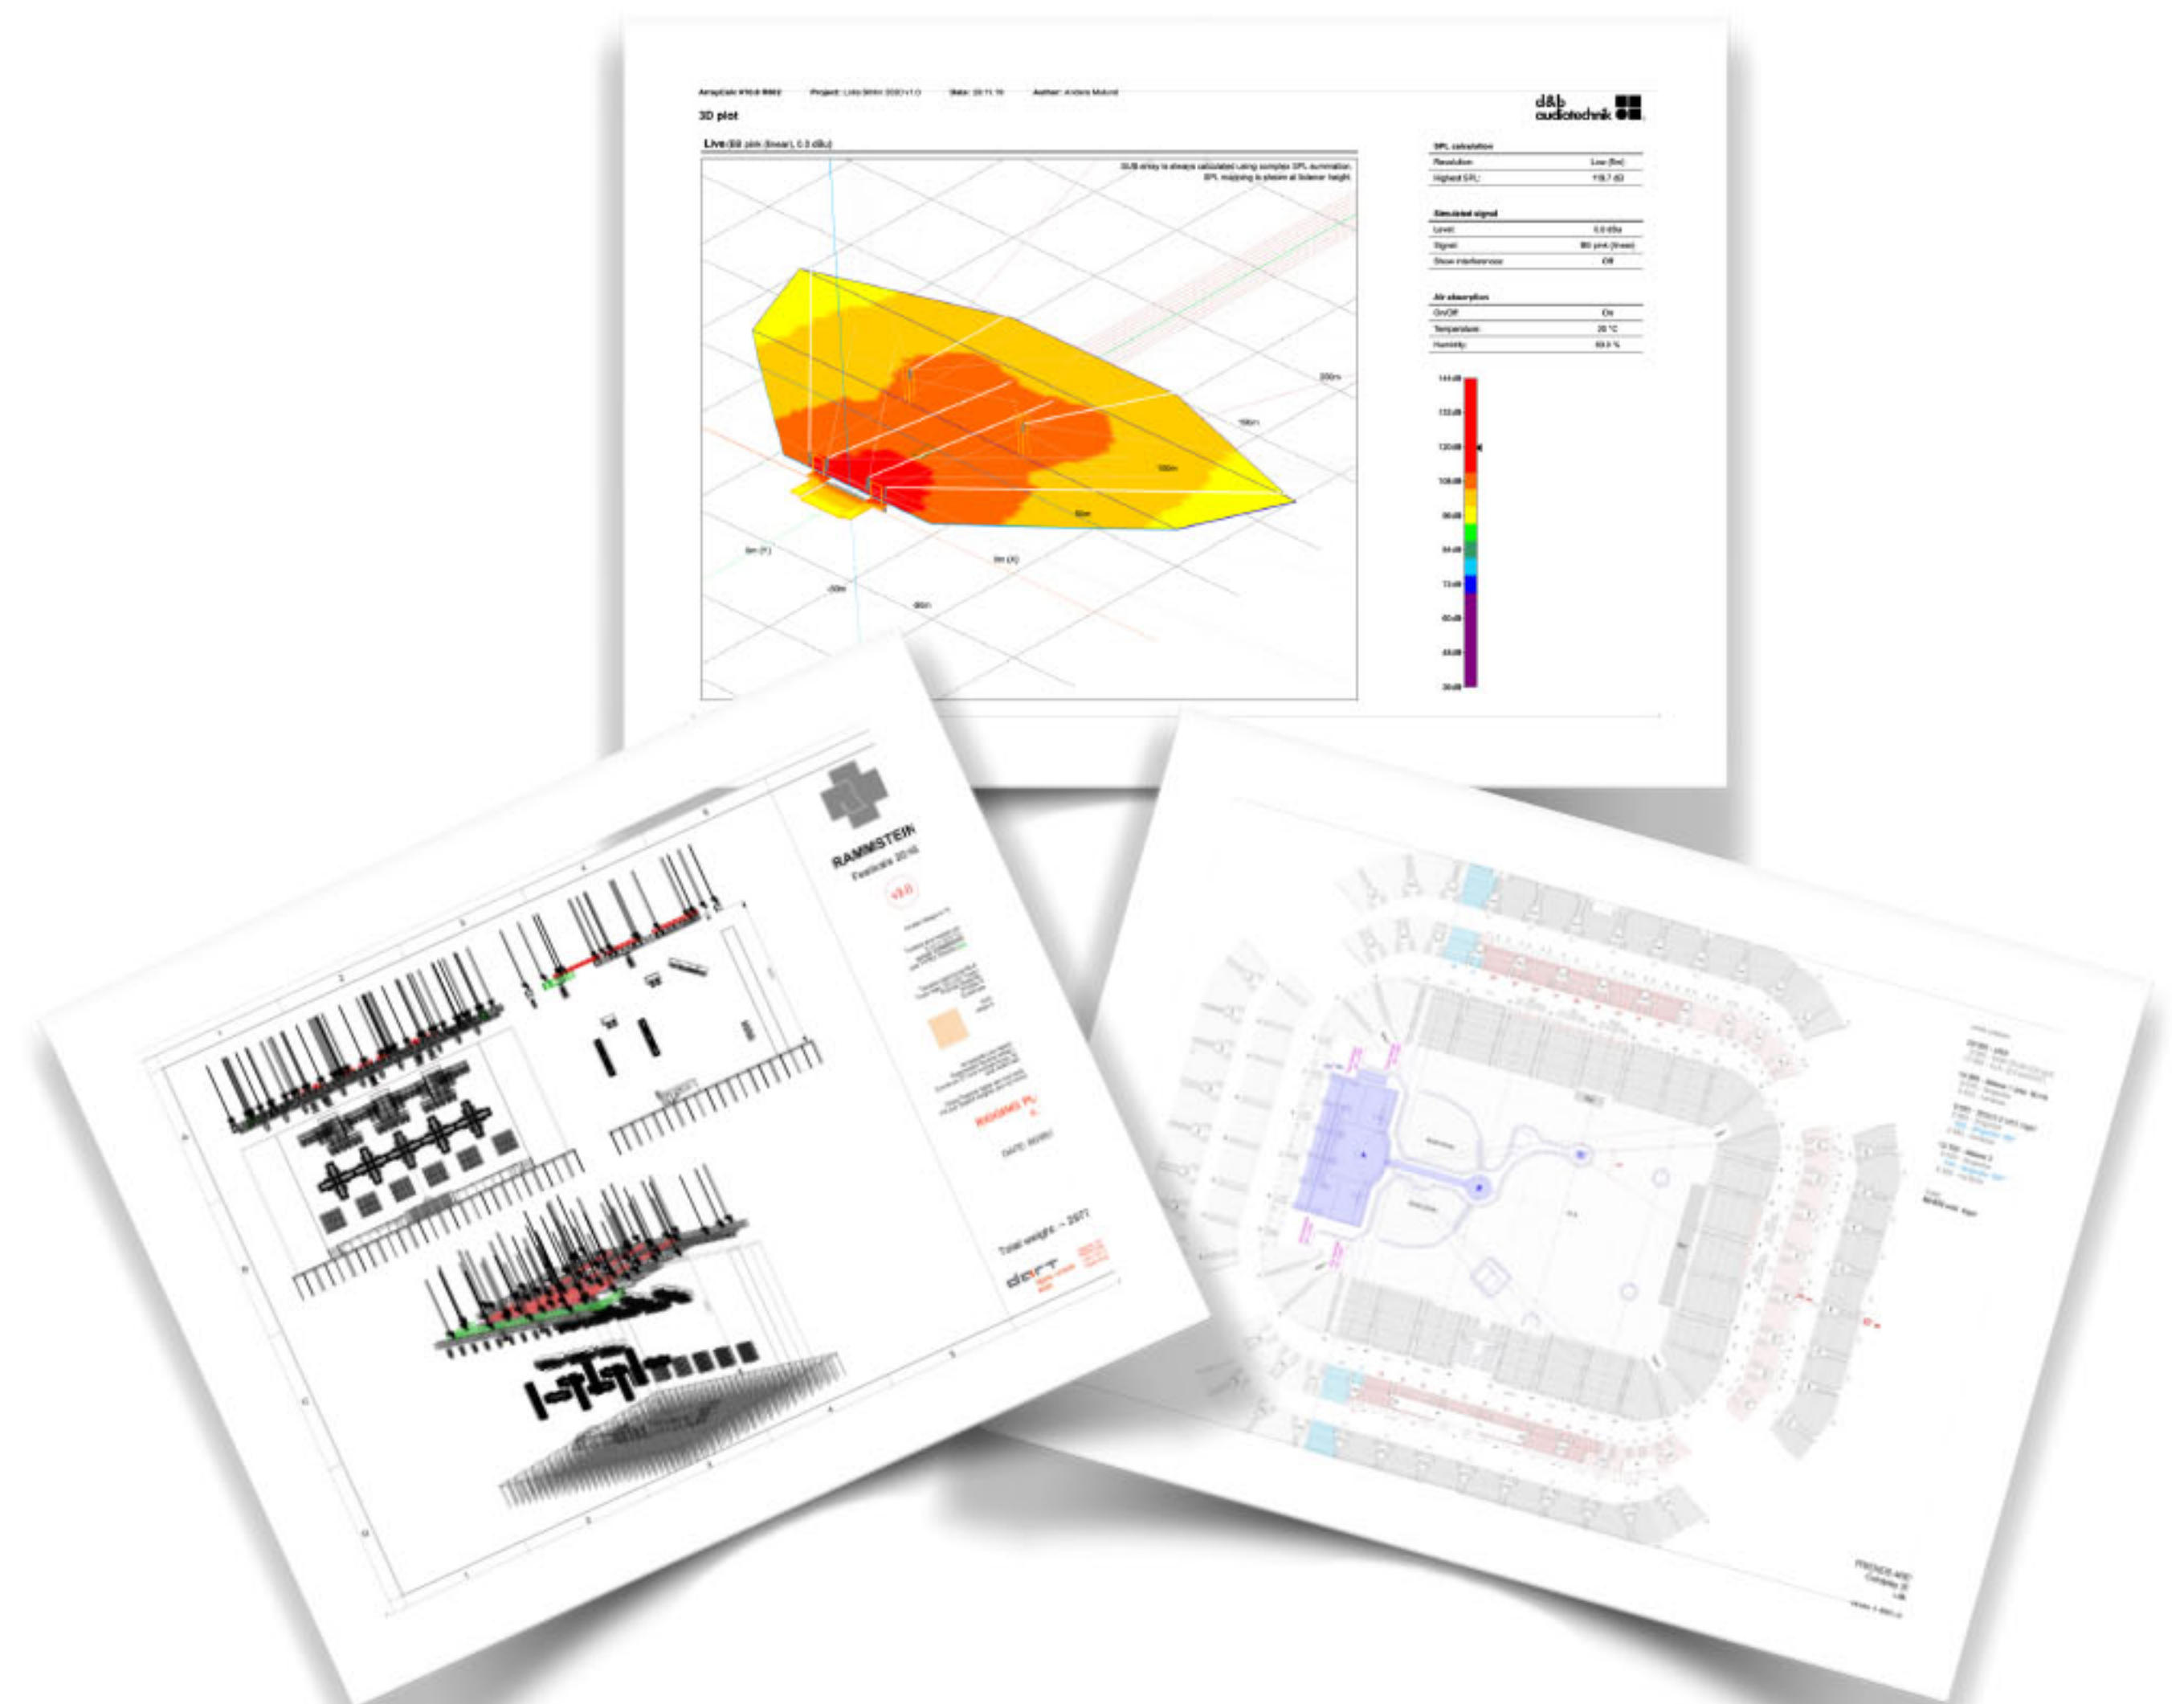

Read more on: blackboxrehearsalstudio.se

Project managing

Acoustic simulation, Noise predictions, rigging calculations, lighting plots and all form of pre production is standard routines for us.

Soundforce warehouse holds facilities for the production crew to simulate, program, prepare and test the entire equipment.
